IMPORTANT: Preparation of your AeroSport product requires no tools. Use of tools may damage your bed.

IMPORTANT SAFETY INFORMATION AND WARNINGS

Bed / Rechargeable Pump

- ⚠ **WARNING:** Adult supervision required for inflation, deflation, and maintenance. This is not a lifesaving device. Do not leave children unattended in or around water.
- ⚠ **WARNING:** This bed is not designed for use by children under 3 years of age. Children under the age of 3 may suffer serious or fatal injury through suffocation, falling from the bed or becoming trapped between the bed and a wall or other objects.
- ⚠ **WARNING:** Product is for indoor use only.
- ⚠ **WARNING:** For household / residential use only.
 - This is not a water toy. Use as a mattress only.
 - This mattress is not intended for infants or persons with limited mobility. They may roll off of the mattress and become entrapped between the mattress and a wall.
 - Do not use this bed on abrasive surfaces or near pointed/sharp items or surfaces. Protruding objects may puncture bed. Remove all sharp objects from area where bed will be set up and used.
 - Do not step or jump on bed or use as a trampoline. Bed may puncture.
 - Place bed in a safe area before use, making sure that there are no sharp edges, steps, drops, or breakable items nearby. Use on flat surfaces only. Bed may tip over on uneven surfaces.
 - Standing, jumping, or walking on the bed may result in injury and/or damage the bed. Do not jump, stand, or walk on this bed. You can hurt yourself or damage the bed if you do.
 - This bed is made of plastic and therefore may melt or burn if it comes in contact with any flame or heat source. Do not place it near or against heaters, open flame, or other hot objects.
- ⚠ **WARNING:** This is an electrical product - not a toy. To avoid risk of fire, burns, injury, or shock, it should not be played with or placed where small children can reach it. Do not use in or around water.
 - Unplug product when not in use.
 - Pump is an electrical device. Do not use in or around water. DO NOT place pump where it could fall or be pulled into the water.
 - Pump not recommended for use by children under six (6) years of age.
 - Do not attempt to disassemble, repair, or service the pump. No serviceable parts are contained inside. Contact Aero Products International, Inc. at 1834 Walden Office Square, Third Floor, Schaumburg, IL 60173, for repair or servicing information.

RECHARGEABLE Ni-Cd PUMP

IMPORTANT: PUMP MUST BE CHARGED FOR 24 HOURS PRIOR TO THE FIRST INFLATION. Use the AC adapter to charge your new Aero pump for 24 hours. For maximum performance, be sure to fully discharge pump before recharging. After initial charge and use, charge pump for 12 HOURS at a time. Charging your pump for periods shorter or longer than 12 hours will substantially decrease the life of your Ni-Cd pump. In an emergency, a 3 hour charge will provide one inflation, however, continued charging for 3 hour periods will substantially decrease the life of your Ni-Cd pump.

IMPORTANT: ALWAYS store pump and charger in a cool, dry place. DO NOT allow pump or charger to get wet. Allowing pump and/or charger to get wet will void your warranty.

TO CHARGE / RECHARGE:

- a) First, remove pump and charger from box.
- b) Second, remove tiny rubber plug from hole on the back of the pump.
- c) Insert the charger's mini-plug in the hole.
- d) Third, plug the charger unit into any standard 110V (or 220V depending on your local service) electrical outlet and let it charge for 12 hours (24 hours on initial charge).

NOTE: For best pump performance, you must completely drain the charge from your pump prior to recharging. For directions, see discharge section below.

Prior To Inflation:

- a) Unplug the pump after it has been charged for 12 hours (24 hours on initial charge).
- b) Remove charger unit from the electrical outlet and the mini-plug from the pump.
- c) Re-insert the tiny rubber plug into the hole on the back of the pump.

NOTE: Pump will not run while charger is plugged into an electrical outlet.

To Discharge:

- a) Place pump on valve as if to inflate product.
- b) Allow pump to run until the pump motor dies down.

NOTE: When properly used, your pump will hold a full charge for approximately 90 days. When storing pump for longer than 90 days, fully discharge and recharge pump every 120 days. This will help maximize pump life.

WARNING: PUMP SHOULD ONLY BE USED WITH AERO ADAPTER PROVIDED. DO NOT USE WITH ANY OTHER ADAPTER.

⚠ **IMPORTANT:** PUMP CONTAINS NICKEL-CADMIUM BATTERIES. BATTERIES MUST BE RECYCLED OR DISPOSED OF PROPERLY.

INFLATION

NOTE: BED MUST BE AT ROOM TEMPERATURE PRIOR TO INFLATING OR IT MAY CAUSE AIR LEAKS.

1. Place your rolled-up bed on the floor or other surface free of obstructions or sharp objects.
2. Make certain the Quick Air Release Valve located at the head of the bed is closed. If the Air Release Valve is open, close it by using 2 thumbs to push cover and snap into valve. Be careful to avoid pushing valve cover to the right or left as it snaps into the valve opening.

This is the closed position.

Open Air Release Valve

Close Valve Using 2 Thumbs

3. Remove the protective plastic cap from the valve by turning counter clockwise. Open the protective rubber cap at the end of the pump. Press the mouth of the pump into position on the Inflation/Release Valve and turn clockwise until it locks.

4. A one-quarter turn clockwise automatically starts inflation.

5. At approximately 60 seconds, a high pitch whine of the pump will signal the bed is inflated to full (firmest) capacity. Bed will not over-inflate.

6. Detach pump by turning counter clockwise. Lie on bed and check the firmness. If you want your bed to be softer, depress the button in the center of the valve. If the bed becomes too soft, reattach the pump and reinflate the bed until the desired level of firmness is achieved.

IMPORTANT: Be sure to close the protective valve cap after inflation.

DEFLATION AND STORAGE

1. Open the Quick Air Release Valve cover at the head of the bed to release the air.
2. Fold sides of bed into the center along its length. Tightly roll your bed towards the Quick Air Release Valve at the end of the bed.
3. Roll the bed completely until all air is expelled. When the bed is completely rolled, push the Quick Air Release Valve closed and locked for its next use.
4. Slide the duffel bag over your AeroBed. Store your bed and pump until its next use.

CARE AND MAINTENANCE

1. Inspect your bed prior to each use.
2. Keep your bed away from any sharp objects or obstacles with rough edges. Large cuts or snags may not be repairable and will not be covered by your bed warranty.
3. When not in use, store your bed in a clean, dry place out of extreme temperatures. Note: Bed must be at room temperature prior to inflating or it may cause air leaks.
4. In case of incidental damage to your bed, a repair patch has been included. Please follow repair instructions carefully.

TROUBLESHOOTING

Very rarely, your Aero® Sport bed may fail to inflate properly. Should this occur, please use the following check list.

1. Check to make sure your pump is fully charged.
2. If your bed doesn't appear to be inflating:
First, make sure the Quick Air Release Valve is closed.
If the valve is open, close it by using 2 thumbs to push cover firmly into valve. Be careful to avoid pushing valve cover to right or left as it snaps into valve opening.
3. If air leakage from the Quick Air Release Valve occurs:
Carefully, inspect the soft round gasket on the inside of Quick Air Release Valve cover. Make sure there is no dirt or debris, cuts, nicks, or tears to the gasket. If there is dirt or debris; clean and use. If cut, nicked or torn, call our Customer Service Center or visit our website to order a replacement part.
4. If trouble persists, please phone our Customer Service Center for assistance.

Warranty Disclaimer

EXCEPT FOR THE LIMITED EXPRESS WARRANTY SET FORTH IN THIS SECTION, OR ANY IMPLIED WARRANTIES PERMITTED UNDER APPLICABLE LAW, SELLER MAKES NO EXPRESS OR IMPLIED REPRESENTATIONS. ALL CLAIMS AGAINST US MUST BE BROUGHT WITHIN ONE (1) YEAR FROM THE TIME THEY ARISE. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE DISCLAIMER MAY NOT APPLY TO YOU.

Limitation of Liability

TO THE FULLEST EXTENT PERMITTED BY LAW, SELLER SHALL NOT BE LIABLE FOR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES WITH RESPECT TO THE SALE OF USE OF THE PRODUCTS, INCLUDING ANY LOST REVENUES, LOSS OF USE OR LOST PROFITS, REGARDLESS OF THE THEORY BY WHICH ANY CLAIM MAY BE BASED, INCLUDING ANY TORT, TANGIBLE PROPERTY DAMAGE OR STATUTORY CAUSES OF ACTION. NOTWITHSTANDING THE TERM OF ANY LIMITED OR IMPLIED WARRANTY, OR IN THE EVENT THAT ANY LIMITED WARRANTY FAILS OF ITS ESSENTIAL PURPOSE, IN NO EVENT WILL OUR ENTIRE LIABILITY TO YOU EXCEED THE PURCHASE PRICE ACTUALLY PAID BY YOU FOR THE PRODUCTS, OR ANY DEFECTIVE OR NONCONFORMING PORTION THEREOF, WHICHEVER IS THE LESSER AMOUNT.

SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

THIS LIMITATION DOES NOT APPLY TO ANY CLAIMS FOR PERSONAL INJURY. THIS AGREEMENT AND ANY CLAIMS AND DISPUTES BETWEEN THE PARTIES SHALL BE GOVERNED BY AND SUBJECT TO THE INTERNAL LAWS (EXCLUSIVE OF THE CONFLICTS OF LAW PROVISION) AND DECISIONS OF THE COURTS OF THE STATE OF ILLINOIS. THE EXCLUSIVE VENUE AND JURISDICTION FOR ALL CLAIMS AND DISPUTES SHALL BE THE STATE OR FEDERAL COURT LOCATED IN SCHAUMBURG, ILLINOIS.

Aero Products International, Inc. neither assumes nor authorizes any representative or other person to assume any obligation or liability other than those expressly set forth herein.
